

Top Five Reasons to Certify

1. **Learn New Skills to Get a Job**

Looking for work? Just starting out in the Workforce? Certifications prove you know how to get the job done.

2. **Retain Your Job and Salary**

Make sure your expertise stands above the rest. Competence is usually retained during times of change, and certifications can lock you into tiered salary levels.

3. **Want to Change Jobs?**

Pigeon-holed in a job you don't want, see limited advancement, looking for a career change—certifications can qualify you for new opportunities. Get your career moving in the right direction with certifications.

4. **Stick Out from the Resume Pile**

Hiring managers can demand candidates with the strongest skill set. With validated, industry recognized certifications on your resume, hiring managers know more about you before they even call for an interview.

5. **IT is Everywhere**

IT is needed in most companies across industries. Predictions are that there are not enough trained IT professionals to fill the jobs. Get certified and get ahead as IT continues to grow.
